JUAN PERON  
FOREIGN POLITICAL MATTERS - ARGENTINA

(U) On March 30, 1966, WF T-1, who has not been contacted enough to establish his reliability, advised a Special Agent (SA) of the Federal Bureau of Investigation (FBI) the following information: (X)

(U) WF T-1 stated he had never heard of the Argentine Committee for the Return of General Peron. He stated that certainly there is little sympathy for Peron in Colombia. Further in view of Colombia's recent history of dictatorship he could not imagine any feelings for such an event there. He noted that in view of the present unclear political situation in Colombia such a meeting might be hard to hold. (X)

(U) WF T-1 stated further there is no way to know the identities of any United States (U.S.) citizen traveling to Colombia for such a purpose since each could get a visa to travel there from any one of several Colombian Consulates in the U.S. or elsewhere. He stated there is no one place where such visa requests are processed by the Colombian government. (X)

(U) WF T-1 concluded that such a meeting is possible, but unlikely, and he knows of no way to determine identities of those who might attend. (X)

ReBULElet 3/31/66 and BULEt 4/22/66.

Efforts of this office to identify the Argentine Committee For The Return of General PERON which, according to a news broadcast emanating in Buenos Aires on 2/17/66, would meet in Medellin, Colombia, attended by delegates from all hemisphere countries to discuss reasons why PERON can return to his country, have been unsuccessful to date.

Additional effort since receipt of reBulet of 4/22/66 to identify origin of the broadcast in question has been unsuccessful. A careful review of local news media in Buenos Aires on a day-to-day basis since reBulet has similarly failed to further identify the Argentine Committee For The Return of General JUAN PERON or any data relating a meeting which would be held in Medellin, Colombia. In addition to the foregoing, continuing contacts with logical sources in both Argentina and Uruguay relative to a possibility of PERON's return has failed to disclose any indication that such an event might take place within the foreseeable future. (S)

This office has instructed its sources to remain fully alert to any information they are in a position to receive or to develop concerning PERON's return as well as any meeting which might take place in Medellin, Colombia, sponsored by an Argentine Committee For The Return of General PERON. *ES*

The Bureau will be promptly informed of any pertinent developments. Cx

Re: ARGENTINE POLITICAL ACTIVITIES

Washington, D. C. The information which you obtained on 4/20/66 was not incorporated in an LHM until 5/18/66 and, since submission was by letter, this was processed through Bureau records facilities before reaching the appropriate desk in the Latin-American Section on the afternoon of 6/1/66. You have been advised by separate communication of changes which were necessary in your LHM prior to its dissemination at the Seat of Government on 6/2/66.

In the future, upon receipt of information from your sources which warrants immediate dissemination at Embassy level, you should recognize your responsibility to the Bureau to insure that the information is promptly and expeditiously submitted to the Bureau in form suitable for dissemination so that it may receive proper handling at headquarters level and so that the Bureau will be in a position to answer any outside inquiries which may be stimulated by your dissemination to other Government agencies in Buenos Aires. You should avail yourself of the use of airtels as a transmission device to insure that LHMs go directly to the interested desks at the Seat of Government where the information warrants expeditious handling.

Legat. Buenos Aires. [REDACTED]

(S) [REDACTED] This  
was obtained from a highly placed source of Legat and, since it revealed Peron's involvement and influence in Argentine political life, Legat made it immediately available to the Ambassador and other Embassy officials. In transmitting it to the Bureau he utilized a cover letter to forward LHMs which was processed through Records Section and which by virtue of its late preparation did not reach the Latin-American Section until a rather lengthy passage of time. We have previously informed Legat of the value of using airtels to transmit current information to the Bureau and this is to reiterate the instruction and relate it to a particular type of information so that Legat will recognize the value and avail himself of this media. [This is also to encourage Legat in the development of a highly placed source.] (U)

ReBuairtel to Buenos Aires 3/17/66.

On 6/30/66, [REDACTED]

[REDACTED] Rio de Janeiro, Brazil, furnished

(U) the following information: (S)

b6  
b7C  
b7D

Colombian newspapers reported in February, 1966, that a meeting was to be held in Colombia concerning the return of JUAN PERON to Argentina.

(U) As a result of these news stories, ARTURO MATHOV, the Argentine Ambassador to Colombia, visited the Colombian Minister of Government, PEDRO GOMES VALDERRAMA. VALDERRAMA assured MATHOV that no such meeting would be permitted. (S)

It appears that, in reality, no such meeting was actually held.

(U) Concerning the possibility of forbidding PERON, himself, from entering Colombia, it appears that such prohibition is possible, although it is difficult to say exactly what decision the Colombian Government would take. (S)

In view of the nebulous nature of the above information, it is not being set out in LHM form. Should any of the above information be disseminated in the future, it should be classified, "~~Secret~~, ~~No Foreign Dissemination~~".

October 4, 1966

JUAN DOMINGO PERON

On September 29, 1966, T-1 made available a news clipping from the Spanish language newspaper, "Epoca" (Epoch) of September 23, 1966, which reflects that September 17 and 18, 1966, the first National Argentine Congress Pro-Return of General Juan Peron was held "secretely" in Montevideo, Uruguay. According to this article, 386 people attended this conference. These included, it was stated, Uruguayan sympathizers, representatives of nearly all the provinces and Buenos Aires, Argentina, of different organizations of the Peronist movement. Peronist leader, [redacted], who resides in [redacted], furnished the press the foregoing information as well as a telegram which the Congress sent the preceding Wednesday to Argentine President Juan Carlos Ongania which stated:

b6  
b7C

"We solicit your intervention...to end the unjust exile of such a worthy fellow citizen and invite him to reintegrate himself in the fatherland whenever he pleases to do so."

This telegram was signed by Dr. Adolfo Jose Valle, President of the Congress.

On September 28 and 29, 1966, T-2 and T-3 advised respectively that the present military regime in Argentina would not, on the basis of information available to these sources through high level contacts in this regime, permit the return of Peron to Argentina under any circumstances, neither at present nor within the foreseeable future..
